

## Directions to ProSensing

### **Directions to ProSensing from points SOUTH (Bradley Airport, CT):**

Follow signs to exit the airport and get onto route I-91N (north)

Take route I-91N north to exit 19 in Massachusetts (route 9) (continue below....)

### **Directions to ProSensing from points EAST (Logan Airport in Boston)**

Take I-90W (Massachusetts Pike west) to West Springfield exit

Exit turnpike and follow signs for I-91N north – Holyoke

Take route I-91N north to exit 19 in Massachusetts (route 9) (continue below....)

### **Directions to ProSensing from points WEST (Albany, NY):**

Take Mass. Pike (I-90W) to West Springfield exit

Follow signs for I-91N (north) – Holyoke

Take route I-91N north to exit 19 in Massachusetts (route 9) (continue below....)

### **Common direction for all points EAST, WEST, and SOUTH (driving up on I-91N)**

Turn right onto route 9E (east)

After 3 or 4 miles, turn left onto route 116N (divided highway)

After 2 miles, at the first light, turn right onto Meadow Street

At the next light, turn left and immediately bear left at the fork onto Sunderland Road

ProSensing is about 1/8 mile on your right

### **Directions to ProSensing Engineering from points NORTH:**

Take I-91S (South) to exit 25 in Massachusetts - Rte. 116S

Turn left off ramp onto 116S South

At stop sign, turn right onto Rte. 5 S and 116S South

After about ½ mile (past Yankee Candle Co.), turn left at lights onto Rte. 116S (South) again

Take 116S (south) about 5 miles (through Sunderland and into Amherst) to a set of traffic lights right before the UMass campus - you will see high-rise buildings ahead

At the light, turn left onto Meadow Street

At the next light, turn left and immediately bear left at the fork onto Sunderland Road

ProSensing is about 1/8 mile ahead on your right
